The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

USEF MEMBERSHIP STATEMENT:

Life, senior active and junior active members shall be eligible to participate in all classes at Regular Competitions, Eventing Competitions at the Modified Level or above and Combined Driving Competitions at the Advanced Level, Dressage, Reining and Vaulting Competitions and Endurance Rides. A non-member may participate as a handler, rider, driver, owner, lessee, or agent, at Regular Competitions, Eventing Competitions, Dressage Competitions, Reining Competitions and Combined Driving Competitions upon payment of a Show Pass fee. Participants in the following classes are exempted from the Requirements of this rule: 1) leadline; 2) exhibitions; 3) games and races; 4) classes for 4-H members; 5) walk trot and academy classes (academy classes are classes limited to horses used regularly in a lesson program); 6) USDF introductory level tests, pas de deux and quadrille classes; 7) assistant handlers in Dressage Sport Horse Breeding classes.

Each competitor is responsible for supplying management with correct applicable numbers (USDF and USEF) for horse, owner, rider, and trainer, before the day(s) of the competition. The scores of competitors who fail to supply correct numbers may not be counted toward national awards.

USDF STATEMENT ON ANIMAL WELFARE: The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals. Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved. The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to

assure that there is no unnecessary force or harshness displayed. Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life. While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival. As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

DISEASE OUTBREAK RULE: In the face of a disease outbreak, the show committee reserves the right to follow the AVMA (American Veterinary Medicine Association) and or the AAEP (American Association of Equine Practitioners) recommendations as to what testing would be necessary to consider a horse free from the disease in question. They also reserve the right to require written proof that said testing has been performed within the recommended period of time. If the competitor does not adhere to the requirements the show committee can refuse entrance to the show. Some diseases are "Reportable Diseases", meaning they must be reported to the State of Arizona Department of Agriculture. These diseases are subject to quarantine rules of the state. An example of one such disease is Vesicular Stomatitis. In the case of reportable diseases, a health certificate is required from an accredited veterinarian with proper statement regarding said disease to accompany the horse. Since this rule could apply to any number of diseases, and it would be impossible to list them all here, the show committee will post the testing/health certificate requirements on the sponsor web page if there is a current disease outbreak in the area.

EQUINE HEALTH: Licensed shows operate under USEF guidelines. These guidelines recommend that you keep your horse as healthy as possible when competing, i.e. current vaccinations against diseases prevalent in your area and current Coggins test. Additionally, a health certificate is required if you travel across state lines to compete. We remind you that stalls at the show facilities are not disinfected between horses. The venues clean and remove shavings and manure only. You have the option of cleaning the stall before putting the horse in the stall. A detergent, such as Tide, and water mix is recommended by the USEF. Rocal also works well on wood and Clorox on hard surfaces. If your horse becomes ill while at the show, please report it to the show committee even if you choose not to have it seen by a veterinarian. The show committee reserves the right to ask you to remove the horse from the premises. If that is not possible, the committee may ask you to isolate the horse in a designated stall. Please try to avoid contact with other horses in case the disease might be contagious. If your horse is sick and you have decided to leave the premises, you are required to notify the show committee. Also, be considerate of other horses at your home barn and let them know that your horse may have contracted a communicable disease. We are all interested in keeping our horses as healthy as possible, so please don't bring a sick horse, or one recently recovered to the show. Thank you for your cooperation.

USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at www.usdf.org.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

How to Join USDF

Applications for USDF Participating Membership (PM), Business Membership (BM), Horse Identification (HID) number, and Lifetime Horse Registration (LHR) may be found in the following locations:

- On the USDF website: www.usdf.org. You can submit the application online or download the form.

2024 Great American Insurance Group/USDF Regional Dressage Championships

A single Regional Dressage Championship program organized by the United States Dressage Federation (USDF), and recognized by the United States Equestrian Federation, Inc. (USEF), will be held in each of the nine USDF regions. In addition, Alaska and Hawaii may each hold state championships if an official request from a Group Member Organization (GMO) is received by April 1 of the prior year. The Regional Championship Program Rules can be found on the USDF website at www.usdf.org. Please refer to the 2024 USDF Member Guide for the comprehensive list of rules and requirements for this program.
